

# 10 SIGNS YOU'RE BEING SCAMMED BY A FAKE MENTOR

Vague promises with no clear outcome

Focus on flexing wealth but not on teaching skills

Pressure Tactics  
("Act Now or Lose Out")

Fake testimonials & unverifiable success stories

No refunds or refund policy  
(or impossible to get refunded)

"Mentorship" is just pre-recorded content or contains generic information

Constantly upselling after you already buy

Inflated self-titles w/ minimal or no online internet reputation outside their own accounts
